

More online installation and product resources.

The dealer portal at mymechoshades.com has been updated to include the following support documents:

- WhisperShade® IQ2® Electronic Drive Unit Installation Guide (US, UK, French-Canadian, Mandarin).
- WhisperShade ML Electronic Drive Unit Specification Submittal.
- WhisperShade ML Electronic Drive Unit Top/Bottom Mechanical Limits.
- WhisperShade ML Electronic Drive Unit Installation Guide.

MechoSystems' [Construction drawings](#) library has also been updated to include the zippered ShadeLoc® System and superwide MagnaShade®. Find the library at the top right of mechosystems.com.

More on MagnaShade

A roller shade that covers as much as 800 sq. ft. (72m²) of glazing deserves coverage of its own. More MagnaShade resources are available now:

- MagnaShade [brochure](#).
- MagnaShade [video](#).
