

Solutions for Healthier Hospitals

WindowManagement®

MechoSystems supports the Healthier Hospitals Program with solar-shading systems that meet the Safer Chemicals Challenge (Healthy Interiors Goal v2.0, November 2015).

EcoVeil Sheer™ Collection

EcoVeil Sheer, a 100% polyester twill shade cloth woven from pigmented yarns in a soft palette, is the first and only window-covering textile to meet the Safer Chemicals Challenge. Available in a 1% or 3% open weave, it diffuses natural light and offers a chic look, all without chemicals of concern.

EcoVeil Sheer in the Bjarke Ingels designed VIA 57 West, New York City.

Features

- 100% polyester
- PVC free
- Contains zero chemical flame retardants, formaldehyde, antimicrobials, or PFC's
- Passes NFPA® 701 flame test
- Is reversible
- 12 designer colors
- Stocked in 63 in. (160cm) and 118 in. (300cm)

EcoVeil Sheer can be specified immediately. It is available for installation March 1, 2017.
